

REQUEST FOR PROPOSALS
Professional Services

Project Title: **Gifford Waterline Extensions**

Owner: **Lowcountry Regional Water System**

Project Number: **CDBG #4-CI-18-005**

The Lowcountry Regional Water System is accepting proposals for engineering services for the permitting, design and construction administration of approximately 6,700 LF of waterline extensions in the Town of Gifford. The proposed improvements will include approximately 3,000 LF of new 3” waterline, 1,000 LF of 6” waterline, and 2,700 LF of 8” waterline and associated valves and hydrants. The proposed route includes both SCDOT right of way and locally owned roads including Murdaugh St, Walters Place, Wesley St, Risher St and Isiah Henry Loop.

Five (5) copies of the proposals shall be submitted by 10:00 AM on September 13, 2018. Proposals must not exceed 10 pages in length. Proposals must be submitted in a sealed envelope and include the firm’s name and project name to the following address: LRWS, 513 Elm Street West, Hampton, SC 29924

The Instructions to Respondents, general terms and conditions applicable to this Request for Proposal are available from Jessica Dailey, C&ED Specialist at Lowcountry Council of Governments, PO Box 98, Yemassee, SC 29945. Telephone: (843) 473-3960. Email: jdailey@lowcountrycog.org. This project is being funded all or in part through a Community Development Block Grant from SC Department of Commerce and the successful firm shall comply with all requirements of the CDBG grant program. LRWS reserves the right to reject any and all proposals, and to award a contract that is most advantageous, and in the best interest of LRWS.
